# WELCOME

On behalf of the entire organizing committee, it is with great pleasure that I welcome you to the 2023 Division 3 USA Ultimate College Championships! We are thrilled to host this prestigious event at the spectacular Fortress Obetz in Obetz, Ohio this weekend.

The Fortress Obetz is an exceptional venue that has been a great partner over the past decade. Not only is it home to the PUL Columbus Pride, they have also helped out the community a number of times in hosting High School State Championships and a number of conferences and regional tournaments with us. They are a truly great partner.

As the tournament unfolds, we encourage you to immerse yourself in the incredible camaraderie and sportsmanship that define the Ultimate community. This event is not just about the competition; it is also an opportunity to connect with fellow athletes, forge new friendships, and celebrate the spirit of the game that unites us all. We encourage you to engage in spirited conversations, exchange stories, and support one another throughout the tournament.

To our dedicated athletes, we commend your dedication, hard work, and passion for the sport. Your commitment to excellence is truly inspiring, and we have no doubt that you will leave everything on the field, showcasing the very best of ultimate. Play with heart, determination, and fair play, and remember that you are all champions in your own right.

To the spectators, your presence and unwavering support create an invaluable atmosphere that fuels the players' performances. Cheer loudly, show your appreciation for the remarkable plays, and let your enthusiasm be heard throughout the Fortress Obetz. Your passion plays a vital role in making this event an unforgettable experience for everyone involved.

I would like to extend my deepest gratitude to the volunteers and all those who have worked tirelessly behind the scenes to make this tournament a reality. Your dedication and hard work have been instrumental in bringing this event to fruition, and we are incredibly grateful for your invaluable contributions.

Finally, I want to express my sincerest best wishes to all the teams. May you compete with honor, respect, and an unyielding spirit. I hope this tournament becomes a cherished memory and a stepping stone toward achieving your ultimate goals.

Once again, welcome to the 2023 Division 3 USA Ultimate College Championships at the Fortress Obetz. Let us join together in celebrating the incredible sport of Ultimate and create lasting memories that will resonate with us for years to come.

Best regards,  
Rodger Oakes  
Tournament Director

# Commitment to Equity, Diversity & Inclusion

**“USA Ultimate values the contributions and perspectives that a truly diverse community provides our sport and its culture. Equity, diversity and inclusion (EDI) are critical to the integrity of our sport, and USA Ultimate is committed to increasing access to and participation in the sport, particularly amongst youth in underrepresented communities.”**

***USA Ultimate Inclusion Statement***

USA Ultimate’s mission is to advance the sport of ultimate in the United States by enhancing and promoting Character, Community and Competition. We recognize that we cannot promote character and community without ensuring all individuals can bring their full selves to their participation in ultimate, as well as without intentionally addressing systems in place that continue to perpetuate discrimination in our society. In valuing the contributions and perspectives that a truly diverse community brings to our sport and its culture, we remain unequivocally committed to our equity, diversity and inclusion efforts and believe they are critical to the continued integrity of our sport.

As the national governing body overseeing amateur ultimate activity across the country, we are striving to create and maintain a safe, welcoming and inclusive environment at all of our events. We are working with local host organizations to help ensure institutionalized racism and discrimination have no place at our events. USA Ultimate expects all participants and spectators at this event to uphold the principles of Spirit of the Game. Just as we hold our athletes to an expectation of “mutual respect among competitors” on and off the field, we expect all staff, event partners and attendees to show mutual respect towards one another regardless of whether you share similar beliefs, cultures or experiences.

In addition, USA Ultimate is committed to showing support for trans athletes and the principles outlined in our gender inclusion policy. As a wave of anti-transgender legislation continues to pass through state governments, USA Ultimate steadfastly supports an individual’s right to participate in our sport in a manner that respects and celebrates their gender identity without being subject to harassment, abuse or ridicule. All participants should be allowed to experience the joy of ultimate as their authentic and true selves. USA Ultimate has designed and implanted various measures that illustrate this ongoing support. USA Ultimate stands by all transgender athletes and participants in our community and remains committed to ensuring everyone has the right to experience the sport in a positive and supportive way.

# COMPETITION RULES

- 2022-2023 Official Rules of Ultimate will be in effect.

Changes from previous versions can be reviewed at [usultimate.org/rules](http://usultimate.org/rules)

- All games to 15.
- **Halftime cap** goes on exactly halfway to hard cap (52:30 after the beginning of the game). If neither team has reached seven or more points, one point is added to the highest score after the completion of the point. Halftime will be taken once a team reaches the new halftime score.
- Halftime is five minutes.
  - Halftime length does not include the time between pulls.
- **Soft time cap** goes on after 90 minutes (15 minutes before the hard cap). Add one point

to the higher score after the point during which the cap goes off is completed. Game ends when the first team reaches the new game total or when the first team reaches 15, whichever comes first.

- Soft cap for Semifinals and Finals will be at 1 hr 45 min.
- Hard time cap goes on at the end of the round time listed in the schedule (1 hr, 45 min). Finish the point in progress and the game is over unless tied. If tied, play one more point.
  - Hard caps will not be used for the semifinals and finals.
- Each team has two timeouts per half.
- Caps do not affect timeouts.

## SITE RULES

All pets must be leashed with a 6' or shorter lead length. Pet owners are required to remove and dispose of their pet's waste. Owners are responsible for the actions and behaviors of the dog while on park property. No person being the owner or having charge of a dog, cat or other animal shall permit the dog, cat or other animal to be present in areas designated or posted as play areas or playgrounds within a park or recreational facility.

- Tent stakes. Must use sandbags/weights

**This list only reflects the restrictions inside the actual Fortress Obetz complex, not the surrounding auxiliary fields.**

# ULTIMATE IN 10 SIMPLE RULES

- 1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards long by 40 yards wide, with end zones 20 yards deep.
- 2. INITIATE PLAY:** Each point begins with both teams lining up on the front of opposing end zone lines. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.
- 3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.
- 4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.
- 5. CHANGE OF POSSESSION:** When a pass is not completed (e.g., out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.
- 6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score or during an injury timeout.
- 7. NON-CONTACT:** No physical contact is allowed between players. Players must attempt to avoid physical contact during play. Picks and screens are also prohibited.
- 8. FOULS:** When a player initiates contact that affects the play, a foul occurs. When a foul causes a player to lose possession, the play resumes as if the possession was retained. If the player that the foul was called against disagrees with the foul call, the play is redone.
- 9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.
- 10. SPIRIT OF THE GAME:** The foundation of the rules of ultimate is Spirit of the Game, which places the responsibility for fair play on the players. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

# GLOSSARY OF ULTIMATE TERMS

**BREAKMARK** – a throw made to other side of the field from what is being forced by the marker

**BRICK MARK** – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense's end zone and in the center of the field (yardage varies based on individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

**CALLAHAN** – a defensive score, occurs when a defender catches the disc in the end zone he or she is attacking

**CUP** – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of 3 players, but variations with 2 or 4 defenders are also common

**FLICK** – forehand, thrown outside, away from the handler's body

**FORCE** – side of the field to which throws should be contained; the marker will attempt to take away throws to one part of the field and is said to be "forcing" throws to go up in a certain direction

**GREATEST** – a jump, throw, catch combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

**HAMMER** – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

**HUCK** – a long throw

**POACH** – a defensive decision to leave a designated one-on-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

**PULL** – the "kick-off" of each point in which the defensive team throws the disc from their own end zone down the field toward the offensive team

**STALL** – the 10-second count for which a player is allowed to maintain possession of the disc; the opposing, defensive player must count the 10-seconds aloud; a "stall" occurs if the disc is held for more than the 10-second count

**STRIP** – occurs when a disc is knocked out of a player's hands after they have stopped rotation and achieved possession

# FAQS

**Q: Why are teams circling up with one another after the game?**

A: That is called a spirit circle. An idea borrowed from international competitions in the ultimate world, the spirit circle will include comments from both teams to communicate positive play, constructive criticism and general conversation. Teams might exchange a small gift or partake in a cheer to show respect to one another and build relationships. It is not required but heavily encouraged.

**Q: Where is my team playing? What field am I on? Where can I watch a team play?**

A: All questions regarding site information can be answered by someone at the USA Ultimate Information Tent. You can also look for someone with a USA Ultimate badge/lanyard who will promptly find a way for your question to get answered.

**Q: How close to the field can I watch the game?**

A: Spectators and equipment must stay at least five yards away from the sidelines. Where there are buffer lines, respect them. Where there are not buffer lines, stay back at least five yards for your safety as well as for players.

**Q: I lost my water bottle/jersey/hat/etc. Where can I find them?**

A: Lost and found items will be located at the USA Ultimate Information Tent. If your item is not there, check back at another time.

**Q: Can I drink alcohol on site?**

A: Yes, but you are not allowed to bring your own. Alcohol can be bought at the field with what is offered by the site.

**Q: Who are the people in orange or green on the field who look like referees?**

A: Those are observers! While USA Ultimate has one of the most unique and defining characteristics in its reliance upon players to officiate the game, observers are allowed to resolve disputes should the players request it. Unlike other referees, umpires or judges, observers are not allowed to make active foul and violation calls of a subjective nature. Observers may only make active calls related to conduct issues or objective rules like time violations and boundary decisions.

**Q: What happens if there's lightning?**

A: Event staff will communicate via a PA system and field marshals if there is lightning danger. All play will be stopped. Event staff will indicate to players when play will resume and captains should meet at Tournament Central when it is safe to receive instruction on resuming play and any schedule modifications.

**Q: I want to get involved! Can I help out at the events?**

A: Yes! USA Ultimate heavily relies on its incredible volunteers to make every event year-round work smoothly. Find a volunteer or USA Ultimate staff member and they will connect you with a local contact. Otherwise, visit [usultimate.org/about/volunteer/](https://usultimate.org/about/volunteer/).

# LAST THREE DIII MEN'S FINALS

OKLAHOMA CHRISTIAN 15, ST. OLAF 11  
2022 DIII College Championships  
May 23, 2022 – Milwaukee, WI

Oklahoma Christian went back-to-back in 2022, winning its second title in school history. Led by head coach Garrett Taylor, the Eagles pushed out three wins in pool play against Scranton, Ithaca and Berry. Set

as the No. 6 seed in the tournament, the Eagles won 15-7 in quarterfinals against Grace and eked out a semifinal Universe point win against No. 2 seed Middlebury. With big performances from Jonathan Costello, Elliott Moore and Emmanuel Kameri in the finals, it was DIII dominance once again for Oklahoma Christian.

OKLAHOMA CHRISTIAN 15, MIDDLEBURY 12  
2021 DIII College Championships  
December 20, 2021 – Norco, CA

Oklahoma Christian, in the first DIII College Championship appearance for the school, became champions in 2021. With head coach Garrett Taylor at the helm, the Eagles escaped pool play with three wins against Carleton College-CHOP, Mary Washington and Franciscan. The Eagles defeated

Whitman in the quarterfinals and No. 1 seed Richmond in the semifinals to advance to the finals. It was all Eagles as Kyle Henke, Elliott Moore and Michael Paniagua led the school to its first title.

MIDDLEBURY 15, AIR FORCE 12  
2019 DIII College Championships  
May 19, 2019 – College Station, TX

It was all chalk in 2019 as the No. 1 seed in the tournament, Middlebury Pranksters defied all challengers to win the second title in school history with the first title coming in 2013. Pool play saw close games all around

as the Pranksters won against Franciscan, Hamilton and Michigan Tech. A convincing quarterfinal win over Bryant followed by a Universe Point win over Richmond gave Middlebury their second finals appearance since their title in 2013. The team from Vermont won it all, thanks in large part to performances from Leo Sovell-Fernandez, Kai DeLorenzo, Walker Frankenburg and Daniel Grubbs-Donovan. Middlebury claimed the throne as the best in the nation in 2019.

# LAST THREE DIII WOMEN'S FINALS

MIDDLEBURY 15, WELLESLEY 10  
2022 DIII College Championships  
May 23, 2022 – Milwaukee, WI

Middlebury went back-to-back in 2022, winning its second title in school history. The Pranksters were untouchable in the 2022 season and earned the No. 1 seed in the tournament. It was all Middlebury in pool play, picking up large wins against SUNY-Geneseo,

Occidental and Berry. With the closest game of Middlebury's tournament coming as a four-point win in quarterfinals against Haverford, St. Olaf couldn't beat the eventual champions in the semifinals. It was the No. 4 seed Wellesley in the finals but a monster performance from Claire Babbott-Bryan in the finals and big showings from Madelyn Lander and Keziah Wilde gave the team from Vermont the crown in 2022.

MIDDLEBURY 15, PORTLAND 10  
2021 DIII College Championships  
December 20, 2021 – Norco, CA

Middlebury, in its first DIII College Championship finals appearance for the school, became champions in 2021. With one of the more dominant runs in tournament history, Middlebury held off all foes in California. With big wins in pool play over Occidental, Wheaton (Ill.) and Lehigh, the No. 4 seed

Pranksters swept past Union (Tennessee) in quarterfinals. With a four-point win over No. 1 seed Truman State, Middlebury rolled into the final against Portland. Thanks to the late game heroics from Claire Babbott-Bryan, Sidra Pierson and Niamh Carty, Middlebury scored five straight points to win it all in 2019.

OBERLIN 13, BATES 7  
2019 DIII College Championships  
May 19, 2019 – College Station, TX

The Oberlin Preying Manti took home the hardware in 2019 as the No. 6 seed. Oberlin led early and often, picking up big pool play wins against Occidental, Carleton College-Eclipse and Williams. Three-point wins against Puget Sound

in the quarterfinals and St. Olaf in the semifinals meant a date with No. 1 seed Bates in the final. The Preying Manti were undeterred by the only other undefeated team in the tournament. The second half was owned by the Ohio-based team, thanks to Zoe Hecht, Abagael Chang and Linnea Fraser. Oberlin was on top of the DIII world in 2019, picking up its first title in school history.
